Welcome to Trinity Learning Center's "Cool" After School Program!

We are looking forward to a great year with all of you!

TLC will offer many opportunities for your child to continue to develop intellectually, physically, socially, emotionally, and spiritually. Our primary goal is supporting the education your children are receiving in their daily school environment. We also want you to know that there will be time to play on the playground and in the gym as well as having some relaxing time eating snacks, finishing up homework and playing board games and other inside activities. It is our desire to provide a quality-learning environment that is positive and meaningful, as well as fun and safe.

This year we have divided our children into 3 different groups:

"Homework Heros" consists of 2nd, 3rd, 4th graders who must have a homework time period. Parents of 1st graders desiring their child to participate in "Homework Heros" may email that request to the office and we will adjust the roster.

"Awesome Adventurers" are children in K-5 and 1st grade. They do not have homework time but will have a time period consisting of Free Art and Scientific Experimentation.

"Preschool Players" are children who are older 2's, 3's and 4's who blend into our regular full day preschool classes. Their schedule is based on the particular assigned class schedule whether afternoons, ½ days or full days during holidays.

Items to leave here at TLC in your child's cubby include:

- A full change of clothes including socks and underwear
- A water bottle marked with your child's name
- Bug Spray and Sun Block with Medical Consent(Teachers will keep in a storage container in the cabinet)
- Any other personal item that your child might need during the afternoon
- Electronics are your child's responsibility and are typically only used during Homework periods.
