The Language Buzz Program is coming to our Preschool!

In the last 6 years the desire for instruction in the Mandarin language has been on the rise and is increasingly being taught in our public and private school systems. According to Boston University, "Mandarin Chinese is spoken by over 1 billion people around the world, about one fifth of the global population and is rapidly becoming the second most spoken language in the world today." <https://www.bu.edu/wll/home/why-study-chinese/>

TLC has contracted with the Languagebuzz program to provide Mandarin instruction to our Thrilling 3K and Fabulous 4K Classes on a weekly basis. This starts in September on Wednesdays at 10:00 am. Each class will have their own separate instruction time.

We are excited to add foreign language to our curriculum standards and hope you will be also. And please note that this is a part of your regular tuition and there is no additional cost to you.
