November Goals and Themes

In the United States of America, Thanksgiving is celebrated on the fourth Thursday in November and commemorates a feast in 1621 that the Pilgrims shared with Native Americans since they had taught them to plant crops and hunt wild game. That feast is held in order to express gratitude and appreciation for the good things that have occurred in the past year.

Our teachers will discuss with your preschool aged children the story of Thanksgiving, the spirit of thankfulness, and the symbols associated with Thanksgiving. Some traditional Thanksgiving symbols include turkeys, Indian corn, pilgrims, autumn leaves, and cornucopia.

In hearing the Thanksgiving story, our children will learn that people of all different backgrounds can be helpers to one another and to give thanks for our friends and families. Let us all be reminded of these bible verses as we go forward into this fall's glorious season of giving thanks for all things at all times.

1 Timothy 4:4 ESV

For everything created by God is good, and nothing is to be rejected if it is received with thanksgiving.

Psalms 95:2 ESV

Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise!
