

Fall Orientation 2017-2018 School Year

*Please join us in Satterlee Hall
Thursday
August 17, 2017
4:00 pm – 6:00 pm*

Teachers will be present to discuss curriculum, daily schedules and answer any questions you may have. For your convenience, the Parent Handbook and other important forms that we must have on file for your child will be available. These forms must be filled out at Orientation. If you are unable to attend these forms must be on file as soon as your child is in attendance for the new school year which begins Tuesday, August 22nd. Please understand that we are **REQUIRED** to have them for your child's 2017-2018 file. The teachers will be checking you off their lists as paperwork is filled out and turned in.

Friday, August 18th we will be **CLOSED** for our annual Teacher In-service training. We will also be **CLOSED** on Monday, August 21st for the Solar Eclipse. Please read all of the information in your Handbook and look closely at our new school year Calendar so that we can have a great organized start to this year.

Extra-Curricular Sign-Up will be available and all classes are in the mornings in Melcher Hall. In order to participate in these programs you must fill out our DSS release form for each class your child is participating in each new year. These are in **ADDITION** to the enrollment package required by the individual instructors.

Mondays	Miss Kim's Gym	(18 months and above)
Tuesdays	Soccer Shots	(24 months and above)
Thursday	RPA Ballet	(24 months and above)
Friday	Capital Karate	(Threes and above)

Please note the USC Speech and Hearing Screenings are recommended for all children aged three years and above. Please consider taking advantage of this opportunity to receive information about various specialists who will come to our center if your child qualifies for services of any kind. Screenings will take place on Wednesday, September 6th starting at 8:00 a.m. Paperwork will be coming to you soon for sign up.

Just a gentle suggestion that if you can, please stop by **BEFORE** picking up your child from the Gym or Playground so that you can have some one on one conversation with your child's teacher. Of course for newly enrolling parents we realize you may not have an option for child care at that time and of course we understand they will be present.

Looking forward to a great new school year!
