## Faith in Action

### Our Why

*Why Faith in Action?*

Because we are called—in fact, commanded—to love and serve a broken world.

*Why a Faith in Action Committee?*

Because the effort of the full church requires focused attention for structure, organization, accountability, and synergy.

### Our Mission

Our committee's charge is to help identify and interpret our community's needs, concerns, and hopes, and to crystallize and inspire opportunities to address them.

### Our Vision

The fulfillment of our charge as the body of Christ will lead to a bridge over which Trinity Episcopal Cathedral is bringing the Church to the world and the world to the Church.

### Our Approach

We intend to operate from a mindset of *faith* and *favor* over *fear* and *fault*, believing in each other and God as we build his kingdom. We do not *sit* on the committee. We *serve* on the committee.

### Our Resolve

“Father, send us out to do the work you have given us to do, to love and serve you as faithful witnesses of Christ our Lord.”
