W. A. Perry

Faith In Action celebrates Trinity's 20 Year Partnership with W. A. Perry Middle School: Thank you to all the volunteers who have made Perry a part of our Trinity life and ministry! In 2003, Trinity and Perry gathered around a table together to discern how best to support the after school program. In 2023, Trinity and Perry continue to gather around a table as we together match the needs of the school with the gifts of our parishioners. Volunteers are often asked: "You are coming back, right?" With your continued help and God's grace, yes, we will be back. Find out how you can be a part of this "ministry of Presence."
